YOUR OFFICE MEETS YOUR CLUB

HQ's proximity to Manchester Airport means that, at last, I will have a viable alternative to airport hotels for meetings en route. And clients or fellow colleagues who aren't travelling won't risk being caught up in airport traffic

IF BUSINESS IS ABOUT MAKING GOOD DECISIONS, THE HQ COULD BE ONE OF YOUR BEST. INSPIRATIONALLY DESIGNED, EXCELLENTLY EQUIPPED AND SUMPTUOUSLY APPOINTED, THE HQ IS YOUR BUSINESS'S SECOND HOME.

The HQ enables you to do business in true comfort and style, bringing together state of the art equipment, spaces and resources, with something equally valuable: a complete support service. Everything can be arranged: from a meeting for 20, to a chauffeur driven car, to private dining, to a total back-office resource that means you can even base your business here.

In essence: The HQ is your HQ.

The HQ is first and foremost designed for people with very high expectations of their workspace.

Our members will find this exclusive enclave perfect for client entertaining and confidential off site meetings and will feel at home among its polished interiors.

Entrepreneurs will appreciate its contemporary, interior designed space.

Consultants will find space to stretch out and bring together colleagues and clients, supported by lightning-fast connectivity and state of the art hardware.

At the same time, this workspace is also a workstyle. The HQ is a place to unwind, to enjoy a welcoming and well-stocked bar, delicious light snacks, and be able to network socially with like-minded professionals.
